Frika e spastrimevet i ka prishur gjumin Enver Hexhes.

Per nate ne enderr i dalin para policet e Mehmet Shehut,i turren t'a lidhin,t'a vrasin,t'a therin,i ngrehin pusi ne çde qeshe. Enveri dersitet, mundohet te mbrohet,fshihet nen ..  
... jorganet,therret shoket per ndihme dhe zgjuan Nexhmijen ne mes nates dyke bertitur:"Zirini tradhetaret,i ndaleni, i pritni..... ku jini er sheke,se na prene ne bese ! "

Ne frike e tmer jetojne çiraket e Kremlinit,ne frike perpara ustait,ne frike perpara njeri tjetrit,ne frike perpara spijunit.Ne regjimin e spijunevet dridhen te gjithe,nga i pari,Enver Hexha,gjer tek i fundit,te xhandari dhe punetori i thjeshte.

Enveri dridhet nga Mehmeti,Mehmeti dridhet nga Enveri, dhe te gjithe dridhen perpara Levishkinit.Ne Shqiperine komuniste askush nuk fle i qete,askush s'i beson tjetrit,te gjithe dridhen para sheqi sheqit.

The fear of purges has disturbed Enver Hoxha's sleep.

Each night, he sees in his sleep Mehmet Shehu's police, who pursue to bind him, to kill him, to slaughter him, laying ambushes for him in every corner! Enver perspires, tries to defend himself, hides his head under.....the blankets, calls upon his friends for help, awakens Nexhmije in the middle of the night with his cries: Capture the traitors, halt, wait...where are you o comrades, we have been betrayed!

In fear and terror live the apprentices of the Kremlin, fearing their boss, fearing one another, fearing the spies. In the regime of the spies all tremble, from the first-Enver Hoxha- to the last gendarme and plain worker.

Enver is afraid of Mehmet, Mehmet fears Enver and all tremble before Levishkin. In Communist Albania no one sleeps a quiet sleep, no one trusts the other fellow, all tremble before each other.
